ABOUT THE FREIGHT & SALVAGE

The Freight & Salvage is a legendary nonprofit music venue and Bay Area institution. The Freight is dedicated to promoting public awareness and understanding of traditional music—music that is rooted in and expressive of the great variety of regional, ethnic, and social cultures of peoples throughout the world. Considering the importance of traditional music and the difficult history of injustice that surrounds much of it, we're taking steps to ensure that our work, as presenters of that music, is fair, inclusive, equitable, respectful, and sustainable.
